The Honorable Rosa DeLauro  
Ranking Member  
House Committee on Appropriations  
H-307 The Capitol  
Washington, DC 20515

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Gateway Senior Apartments Pedestrian Crossing Safety Improvements, Gilroy, Santa Clara County, California, CA-18 in fiscal year 2024. The entity to receive funding for this project is the City of Gilroy, located at 7351 Rosanna St Gilroy, CA 95020. The funding would be used to install a High-Intensity Activated Crosswalk (HAWK), high visibility crosswalk improvements, and curb ramps to provide a safe pedestrian crossing of Monterey Road in front of the Gateway Senior Apartments. The project is an appropriate use of taxpayer funds because it would address accessibility gaps by providing safe pedestrian access to the west side of Monterey Street where there are existing pedestrian facilities that lead to the Downtown and would also support the City's Safe Routes to School efforts.

The project has a Federal nexus because the funding provided is for purposes authorized by 23 USC 133(b) (Surface Transportation Block Grant Program).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Zoe Lofgren  
Member of Congress
